

Portland Harbor State/EPA Senior Leadership Meeting
December 8, 2016, 8:00 – 9:00 am
Conference Line (b) (6)

Purpose: Updates, strategic decisions and identification of the remaining issues to be resolved by the time of the ROD's issuance and beginning implementation.

AGENDA

- Status of the ROD including completed/upcoming briefings of the Governor/state agencies and EPA DC leadership; and schedule for ROD signing and release (Richard, Dennis)
- Commitment of additional watershed activities and possible new resources to support this effort (Kevin, Cami, Jim)
- Governor's budget on PHC implementation/sampling activities (Richard, Kevin)
- Report on Oregon's outreach to tribes (Richard)
- Recent communications (if any) with Congressionals, PRPs, etc. preparing for and building support for the ROD's implementation (Dennis, Richard)
- Status of EPA's letter to DEQ and DEQ's response/concurrence letter (Cami, Kevin)
- Communication efforts prior to release of the ROD; development of 'plain speak' talking points; and State participation in ROD rollout (Dennis, Richard, others)
- Identification of post-ROD efforts to support timely implementation of the ROD and build team connectivity: Immediately, near-term, mid-term thru 2017 (Cami, Davis, Kevin)
